- **Teach important values & life skills** like social responsibility, financial literacy, and confidence.
- **Inspire generosity in your kids** and empower them to take action for things they care about.
- **Make giving simple** with a secure, easy-to-use platform that lets you explore and give to every Canadian registered charity.
- **Get started for free** and manage everything seamlessly through your Impact Account.

Start as little as \$10/month and adjust the allowance anytime. Empower your kids to make a difference today!
