

Introducing the multiple admin feature

Hi Erica,

You can now invite those you trust to join you in your charitable giving. By adding up to three people as admins to your Impact Account, you can share your philanthropic goals and commitments. Whether they're your spouse, partner, family members, or assistant, your admins can help you stay on top of your charitable donations and plans.

Here are some of the things admins can do:

- Send and schedule gifts to any Canadian registered charity.
- Send and schedule gifts to Giving Groups you're a member of.
- Update your Impact Account profile and some settings.

For Charitable Investment Account (CIA) holders, your admins won't have access to your CIA by default. Please contact our Philanthropic Advisory team if you wish to give them access: philanthropy@charitableimpact.com
